To save money on your call to **Eritrea**, simply:

- 1) Dial the relevant access number above,
- 2) After the prompt you will hear a dial tone, enter the full number including the country code of the person you are calling. Do not press any other buttons.
- 3) A connection should be made within several seconds.

If you are calling from a mobile, please be advised that your mobile operator may add a surcharge when dialling our access numbers. To avoid this charge, please view our 'Calling from a Mobile' tab or use our Service Calculator (recommended) in the left margin.

Calls are billed by your provider. Any connection charges made by your provider still apply (typically 5-6p per call). There are no additional charges made by us.

PLEASE NOTE:

- 1) If you are using certain lo-cost networks/mobiles, a surcharge may be added by them. Please check with them for any additional charges when calling an 08xx or 09xx type number.
- 2) This service does not work to UK mobiles, even if that phone is outside of the UK.
